Dear Harold and Lil,

Just a note to see how you are doing and let you know I am thinking about you. I have enclosed a picture of my front garden with the Mayland quartz to the left. Tom Peet has a couple pieces in his garden as well.

Steve is a freshman in high school and playing football. Chris is in his second year at Ohio State.

The weather has been great the last week and the leaves are starting to turn. My favorite time of year. I hope you are getting out to see it.

Best wishes to both of you. Take care,

God bless you.

Sincerely,

Dave Keck
